INDEX TO TROPICAL AGRICULTURE

Index to Volume XVIII—January to December, 1941.

Nos.	Months.	Pages.
1	January	1-20
2	February	21-39
3	March	40-64
4	April	65-84
5	May	85-104
6	June	105-128
7	July	129-148
8	August	149-168
9	September	169-188
10	October	189-208
11	November	209-228
12	December	229-248

GENERAL INDEX.

A.

Pages.

Abnormal Soils.—(B) Ferruginous Red Soils, Assessment of Fertility of 238-243
Abnormal Soils.—(A) Rendzina or Humus-Carbonate Soil, Assessment of Fertility of 214-221
Africa, Native Livestock in 1-2
Agricultural Chemistry, Unsolved Problems of 17-18
Agriculture in the Dutch Windward Islands 135-138
Amazon Fly Under Drought Conditions in British Guiana, The 131-134
America, The Banana in Central ... 157-163
Animals, Effect of Derris and Other Insecticides on Man and 187
Artificial Culture Solutions and in Soils, Crop Production in 143-145
Aspects of Progress in the Study of Plant Nutrition 247
Assessment of Fertility of Abnormal Soils.—(B) Ferruginous Red Soils ... 238-243
Assessment of Fertility of Abnormal Soils.—(A) Rendzina or Humus-Carbonate Soil 214-221
Australia, Zebu (Brahman) Cattle and their Possibilities in North ... 195-196
Avocado—A Horticultural Problem, The 3-7

B.

Banana Culture around the Caribbean
Part I 8-12
Part II 33-38
Banana Fertilizer Investigations in Jamaica 196
Banana Fields, Resuscitation of Storm Damaged 63
Banana in Central America, The ... 157-163
Banana Leaf Spot *Mycosphaerella musicola*, the Perfect Stage of *Cercospora musae* Zimm 91-95
Banana Trade from the West Indies to Canada, The 244-246
Breeding, Genetics and Plant 18

B.—*Continued.*

Pages.

British Empire, Resources of Manurial Salt-Ores in the 146
British Guiana, The Amazon Fly under Drought Conditions in 131-134
British West Indian Limes Industry, The 105-106
British West Indies Sugar-Cane Breeding Station, Progress in Contributing Colonies of Seedlings released by the... 232-237
Broom Disease Investigations, Witches' 107-116

C.

Cacao in Costa Rica 203-205
Cacao L. in Trinidad, B.W.I., Pollination of *Theobroma* 151-156
Cacao-Mulching Experiment, The Teachings of the Dominica 75-84
Cacao Seedlings, Raising 205
Cacao, Swollen-Shoot Disease of ... 86
Cacao, Swollen-Shoot Virus Disease of ... 87-90
Canada, The Banana Trade from the West Indies to 244-246
Cane, Hand Stripping of Seed 39
Cane *see* Sugar.
Carbon Bilsuphide on the Germination of Paddy, The Effect of 200-203
Caribbean, Banana Culture around the
Part I 8-12
Part II 33-38
Carpet Grass, Species of 184
Cattle and their Possibilities in North Australia, Zebu (Brahman) Cross ... 195-196
Cecidomyidae) of Economic Importance in the West Indies, the Gall Midges (Diptera 117-127
Central America, The Banana in ... 157-163
Cercospora musae Zimm, Banana Leaf Spot *Mycosphaerella musicola*, the Perfect Stage of 91-95
Chemical Notes 20, 39-40, 64, 84, 104, 128, 148, 168 188, 208, 228, 248
Chemistry, Unsolved Problems of Agricultural 17-18

C.—*Continued.*

	Pages.
Chlorophyll as Index of Sugar-Cane Growth, Composition of	90
Cinchona in Guatemala	70-74
Citrus Fruit, Control of Moulds on ...	138
Citrus Rootstock Trials in Southern Nigeria	197-199
Classification and Mapping, Modern Soil	222-225
Clay, Movement of Potassium in Irrigated and Fertilized Red Sandy	95
Clove Tree, the Production of Field Plants of the	47
Coffea arabica L., Investigations on the Nutrition of	13-14
Coffea arabica, Rooting of Softwood Cuttings of	69
Coffee Growing in Jamaica, Costa Rica and Colombia	74
Coffee Seed, Storing	25
Coffee and Tea, Shade Trees in Uganda and the Cultivation of	7
College Permanent Manurial Experiment, The	48-61
Colombia, Coffee Growing in Jamaica, Costa Rica and	74
Composition of Chlorophyll as Index of Sugar Cane Growth	90
Composts and Tea	171-173
Considerations regarding Stock Farming in Trinidad with special reference to the Fresh Milk Industry	139-140
Control of Houseflies	66
Control of Moulds on Citrus Fruits ...	138
Control of Slugs by Meta Bait in Trinidad, B.W.I., The	211-213
Control of Tomato Diseases	207
Costa Rica, Cacao in	203-205
Costa Rica and Colombia, Coffee Growing in Jamaica, ...	74
Cotton Industry, Sea Island	85-86
Crop Production in Artificial Culture Solutions and in Soils	143-145
Crop Quality	169-170
Cuba, Soil Investigations in	164-165
Cultivated Fodder Grasses in Trinidad, The Utilisation of	226-228
Cultivation of Coffee and Tea, Shade Trees in Uganda and the	7
Culture around the Caribbean, Banana Part I	8-12
Part II	33-38
Culture Solutions and in Soils, Crop Production in Artificial	143-145
Curing, Vanilla	231
Cuttings, Hot Water Treatment of Sugar-Cane	165

D.

	Pages.
Deficiency Symptoms, Physiological Basis of Plant Nutrient	61
Demerara, An Economic Survey of Rice Farming in West	26-32
Derris and other Insecticides on Man and Animals, Effect of	187
